**DETAILED ACTION**  
**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Brian Dutton on 10/3/05.

The application has been amended as follows:

**IN THE CLAIMS:**

Claim 26 has been canceled.

Claim 27 has been amended as follow:

--27. (Amended) An information processing apparatus for performing data communication with a data storage device in a non-contact manner, comprising:

data communication means for transmitting and receiving data to and from the data storage device by an electromagnetic wave;

state indication means for indicating a first state in which the information processing apparatus is waiting for communication with the data storage device, a second state in which the information processing apparatus is communicating with the data storage device, and a third state in which communication between the information processing apparatus and the data storage device has been finished;

wherein said state indication means shows the position where the data storage device should be held [An information processing apparatus according to claim 26,]

wherein said Communication means comprises: an electromagnetic emitting means disposed at a predetermined position for emitting [an] said electromagnetic wave; and said state indication means comprises:

a display having a placement section where the data storage device is to be placed, the electromagnetic-wave emitting means being disposed in the display; and

control means for controlling the operations of the data communication means and the display;

wherein the control means switches a presentation of the display to represent the respective states.—

Claim 29, line 7, "pooling" has been replaced by --polling--; line 5, after period --of time--; line 7, after period, --of time-- has been inserted.

Claim 32, --a—has been inserted after "drives".

Claim 36, line 2, "can be " has been replaced by --is--.

Claim 43, line 2, "can be " has been replaced by --are--.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jean B. Corrielus whose telephone number is 571-272-3020. The examiner can normally be reached on Maxi-Flex.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jay Patel can be reached on 571-272-2988. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
